

CCELL® Chinese New Year 2026 China Factory Key Dates

With the Chinese New Year holiday approaching, CCELL®'s China factory will be **closed from February 9th, 2026, to February 24th, 2026.**

This means production and shipping will be temporarily halted, potentially impacting your stock levels. We encourage confirming orders as early as possible, as this greatly increases the likelihood of shipment prior to the holiday. Our team will do everything we can to prioritize and support your needs.
